

# SAFE ROUTES TO SCHOOL IN MENDOTA

Every student deserves a safe and healthy future. Learn more about the plan to make it happen in Mendota!

The City of Mendota is preparing a Safe Routes to School Master Plan thanks to funding from the state's Active Transportation Program. **The City wants to improve the health and safety of the students and residents who call Mendota their home.** The Safe Routes to School Master Plan will lay out how to make that happen for our community!
