City Attorney

The Mendota City Council welcomes you to its meetings, which are scheduled for the 2nd and 4th Tuesday of every month. Your interest and participation are encouraged and appreciated. Notice is hereby given that Council may discuss and/or take action on any or all of the items listed on this agenda. **Please turn your cell phones on vibrate/off while in the council chambers.**

Any public writings distributed by the City of Mendota to at least a majority of the City Council regarding any item on this regular meeting agenda will be made available at the front counter at City Hall, located at 643 Quince Street Mendota, CA 93640, during normal business hours, 8 AM – 5 PM.

In compliance with the Americans with Disabilities Act, individuals requiring special assistance to participate at this meeting please contact the City Clerk at (559) 655-3291 or (559) 577-7692. Notification of at least forty-eight hours prior to the meeting will enable staff to make reasonable arrangements to ensure accessibility to the meeting.

Si necesita servicios de interpretación para participar en esta reunión, comuníquese con la Secretaria de la Ciudad al (559) 655-3291 o (559) 577-7692 entre las 8 a.m. y las 5 p.m. de lunes a viernes. La notificación de al menos veinticuatro horas antes de la reunión permitirá al personal adoptar las disposiciones necesarias para garantizar su participación en la reunión.

CERTIFICATION OF POSTING

I, Celeste Cabrera-Garcia, City Clerk of the City of Mendota, do hereby declare that the foregoing agenda for the Mendota City Council Regular Meeting of February 28, 2023, was posted on the outside bulletin board located at City Hall, 643 Quince Street, on Friday, February 24, 2023, at 5:00 p.m.

Celeste Cabrera-Garcia, City Clerk

MINUTES OF MENDOTA SPECIAL CITY COUNCIL MEETING

Special Meeting

February 14, 2023

Meeting called to order by Mayor Martinez at 4:00 p.m.

Roll Call

City Council Members Present: Mayor Victor Martinez, Mayor Pro Tem Libertad “Liberty” Lopez and Councilor Joseph Riofrio

City Council Members Absent: Councilors Jose Alonso and Oscar Rosales

Flag salute led by Joseph Amador

FINALIZE THE AGENDA

1. Adjustments to Agenda.
2. Adoption of final Agenda.

A motion was made by Councilor Riofrio to adopt the agenda, seconded by Mayor Pro Tem Lopez; unanimously approved (3 ayes, absent Alonso and Rosales).

BUSINESS

1. Council discussion and consideration of the City of Mendota Budget for Fiscal Year 2022-2023 and setting the goals for Fiscal Year 2023-2024.

Mayor Martinez introduced the item and City Manager Gonzalez provided the report.

Joseph Amador inquired about the public benefit funds that the City receives from certain cannabis companies.

Council and staff discussion was held on the City’s General Fund budget, including restoring the General Funds reserve; public benefit funds that the City receives from certain

cannabis companies; the Rojas-Pierce Park Expansion Project, including the plans to create a brand new soccer field; the feasibility of constructing an indoor sports facility; the process for requesting earmarked funds from state officials, including project prerequisites; the cannabis industry in the City, including cultivation facilities and business marketing; laws pertaining to vehicle window tinting; the roundabout project at the intersection of Highways 33 and 180; the City's wastewater treatment process and the condition of the Wastewater Treatment Plant; the Mowry Bridge project; the new Mendota Police Station and City Council Chambers project and the possibility of future expansion once it is completed; the Railroad Crossing Improvements project and the condition of the current railroad crossings in the City; the Veteran's Banner program; the Mendota Stormwater Improvement Project; the need to repair/reconstruct City roads and the costs associated with such projects; and holding a Town Hall meeting to encourage and increase community participation.

Joseph Amador urged the City Council to meet with Union Pacific Railroad company to address the conditions of the railroad crossings in the City.

Discussion was held on the need for a community center and the possibility of seeking grant funding for the project; the City Council's direction as to whether the City should establish a Recreation department; potential locations for additional housing; and housing developers who may be interested in creating additional housing in the community.

ADJOURNMENT

A motion was made by Councilor Riofrio to continue the discussion of Business Item 1 at a future meeting, seconded by Mayor Martinez; unanimously approved (3 ayes, absent: Alonso and Rosales).

Victor Martinez, Mayor

ATTEST:

Antonio Pizano, Deputy City Clerk

MINUTES OF MENDOTA REGULAR CITY COUNCIL MEETING

Regular Meeting

February 14, 2023

Meeting called to order by Mayor Martinez at 6:02 p.m.

Roll Call

Council Members Present: Mayor Victor Martinez, Mayor Pro Tem Libertad “Liberty” Lopez, and Councilors Joseph Riofrio and Oscar Rosales

Council Members Absent: Councilor Jose Alonso

Flag salute led by Beto Mejia

Invocation was not held

FINALIZE THE AGENDA

1. Adjustments to Agenda.
2. Adoption of final Agenda.

City Manager Gonzalez requested that items 3 and 4 of the Closed Session be tabled until the next regularly scheduled City Council meeting.

A motion was made by Councilor Riofrio to adopt the modified agenda as requested by staff, seconded by Mayor Martinez; unanimously approved (4 ayes, absent: Alonso).

PRESENTATIONS

1. City Council to recognize the Mendota High School varsity football team for winning the Division VI Valley Championship.

The Mendota High School (MHS) varsity football team was recognized by the City Council for winning the Division VI Valley Championship.

MHS varsity football coach Beto Mejia thanked the City Council and commented on the recognition.

The City Council congratulated the MHS varsity football team for winning the Division VI Valley Championship and presented the football players and coaches with certificates of recognition.

CITIZENS ORAL AND WRITTEN PRESENTATIONS

None offered.

APPROVAL OF MINUTES AND NOTICE OF WAIVING OF READING

1. Minutes of the regular City Council meeting of January 24, 2023 and the special City Council meeting of February 2, 2023.
2. Notice of waiving of the reading of all resolutions and/or ordinances introduced and/or adopted under this agenda.

A motion was made by Councilor Riofrio to approve items 1 and 2, seconded by Councilor Rosales; unanimously approved (4 ayes, absent: Alonso).

CONSENT CALENDAR

1. JANUARY 18, 2023 THROUGH FEBRUARY 7, 2023
WARRANT LIST CHECK NOS. 52788 THROUGH 52895
TOTAL FOR COUNCIL APPROVAL = \$879,751.37
2. Proposed adoption of **Resolution No. 23-07**, approving a contract with Fresno Arts Council, Inc., for the Transportation Art Agreement Clean California Beautification Fund Contribution administered by CALTRANS; and authorizing the City Manager to execute the agreement and any matters relating thereto.
3. Proposed adoption of **Resolution No. 23-08**, approving the Translation Services Agreement with Patricia Lyons DBA Lyons Interpreting and Translation and authorizing the City Manager to execute the agreement.
4. Proposed adoption of **Resolution No. 23-09**, approving the proposal submitted by NetXperts, Inc., for IT Managed Services; and authorizing the City Manager to execute the IT Managed Services agreement and any matters relating thereto.

A motion was made by Councilor Rosales to approve items 1 through 4, seconded by Councilor Riofrio; unanimously approved (4 ayes, absent: Alonso).

BUSINESS

1. Council discussion and consideration of providing direction to staff to order holiday décor for the Oller Street light poles.

Mayor Martinez introduced the item and Finance Director Banda provided the report.

Discussion was held on the report provided by Finance Director Banda.

Mayor Martinez opened the floor to receive public comments.

Ofelia Ochoa commented on the need to create positive change in the community; encouraged community members to support the City Council and attend future meetings to share their opinions; and thanked the City Council for their work.

Morena Larreynaga commented in favor of the City Council approving the purchase of new holiday décor for the Oller Street light poles.

Sherry Charles commented in favor of the City Council approving the purchase of new holiday décor for the Oller Street light poles.

Mayor Martinez closed the floor to public comments.

A motion was made by Councilor Rosales to direct staff to order new holiday décor for the Oller Street light poles, seconded by Mayor Pro Tem Lopez; unanimously approved (4 ayes, absent: Alonso).

DEPARTMENT REPORTS AND INFORMATIONAL ITEMS

1. Finance Director
 - a) Grant Update

Finance Director Banda provided an update on grants and the upcoming SB 1383 organics workshops that the City will be hosting on February 23rd and April 21st; a movie night being held by Adelante Mendota on February 24th; and provided an update on the Community Resilience Grant.

Sherry Charles commented on the issue of individuals going through her garbage bins.

Discussion was held on the comment made by Ms. Charles, and on the update provided by Finance Director Banda.

2. City Engineer
 - a) Update

City Engineer Michael Osborn provided an update on the Rojas-Pierce Park Phase 2 Expansion Project, including the status of installing the lighting and the need to close both

baseball diamonds and soccer field in order to complete the project; the status of the 2022 Local Street Reconstruction Project; and provided an update on the MJHS Safe Routes to School Project.

Juan Ledesma requested clarification on when the Rojas-Pierce Park Phase 2 Expansion Project would be complete.

Discussion was held on Mr. Ledesma's comment and on lighting issues in the City.

3. City Attorney
 - a) Update

Assistant City Attorney Castro commented on ongoing administrative tasks and stated that he is happy to address any concerns that any staff member might have.

4. City Manager
 - a) Discussion on holding a Town Hall meeting

City Manager Gonzalez thanked everyone who attended the Mendota Police Station and City Council Chambers groundbreaking ceremony; provided an update on the new Police Station and City Council Chambers project; provided a housing project update on land owned by Westlands Water District; commented on the City Council holding a Town Hall meeting at a future date; and reported on events that City Council Members have expressed interest in attending.

Discussion was held on the logistics of holding the Town Hall meeting; and the City Council provided direction to staff to schedule a Town Hall meeting in late March/early April.

MAYOR AND COUNCIL REPORTS AND INFORMATIONAL ITEMS

1. Council Member(s)

Councilor Rosales inquired about a project at the Casa de Rosa apartments; the growing homelessness problem being faced by the City; and thanked all those who attended the groundbreaking ceremony for the Mendota Police Station and City Council Chambers and encouraged community members to attend City Council meetings.

Discussion was held on the inquiry and comments made by Councilor Rosales, and on the City providing interpretation services for future City Council meetings.

Councilor Riofrio commented on the Mendota Police Station and City Council Chambers groundbreaking ceremony, including the attendance of elected government officials at the ceremony; negative comments being made by community members on social media; continued growth in the City; the conditions of local roads; and ongoing housing issues.

Discussion was held on the comments made by Councilor Riofrio.

2. Mayor

Mayor Martinez commented on the Mendota Police Station and City Council Chambers groundbreaking ceremony and thanked staff for organizing the event; commented on an initial Chamber of Commerce meeting being held on February 15th; a 5K Run that is being organized in honor of former Mayor Robert Silva; the Mendota Community Corporation's Annual Golf Tournament; the possibility of hosting a soccer tournament; an upcoming community clean up event in April; scheduling a Town Hall meeting at a future date; and on negative comments being made on social media about the City.

Discussion was held on the community clean up event being held in April and on negative comments made by community members on social media regarding road conditions.

Councilor Rosales commented on service fees regarding water meters and water shutoffs.

Mayor Martinez thanked all those present for attending the meeting and congratulated the MHS varsity football coaches Juan Ledesma and Joshua Perez for winning the Division VI Valley Championship.

CLOSED SESSION

1. CONFERENCE WITH LEGAL COUNSEL – ANTICIPATED LITIGATION
Potential initiation of litigation pursuant to paragraph (4) of subdivision (d) of Government Code section 54956.9 (one potential case).
2. CONFERENCE WITH LABOR NEGOTIATORS
Pursuant to Government Code sections 54954.5, subdivision (f), 54957.6
 - a. Agency Designated Representative: Cristian Gonzalez, City Manager
 - b. Employee Organization: Mendota Police Officers Association
- ~~3. PUBLIC EMPLOYEE PERFORMANCE EVALUATION
Pursuant to subdivision (b) of Government Code section 54957
Title: City Manager~~
- ~~4. PUBLIC EMPLOYEE PERFORMANCE EVALUATION
Pursuant to subdivision (b) of Government Code section 54957
Title: Finance Director~~

At 7:22 p.m. the Council moved into closed session.

At 7:55 the Council reconvened in open session and Assistant City Attorney Castro stated that in regard to items 1 and 2 of the Closed Session, there were no reportable actions.

Items 3 and 4 of the Closed Session were tabled for a future meeting.

ADJOURNMENT

With no more business to be brought before the Council, a motion for adjournment was made at 7:55 p.m. by Councilor Riofrio, seconded by Councilor Rosales; unanimously approved (4 ayes, absent: Alonso).

**BEFORE THE CITY COUNCIL
OF THE
CITY OF MENDOTA, COUNTY OF FRESNO**

**A RESOLUTION OF THE CITY COUNCIL
OF THE CITY OF MENDOTA SUPPORTING
AND URGING THE APPROVAL AND FUNDING
OF THE GRANT APPLICATION SUBMITTED BY
THE CITY OF HURON TO THE CALIFORNIA
PUBLIC UTILITIES COMMISSION FOR A LOCAL
AGENCY TECHNICAL ASSISTANCE GRANT**

RESOLUTION NO. 23-10

WHEREAS, the California Public Utilities Commission administers the Local Agency Technical Assistance Grant Program which provides funding to assist cities and other local agencies in their efforts to provide high speed broadband to unserved Californians; and

WHEREAS, the Local Agency Technical Assistance Grant (“LATA”) funds broadband technical assistance preconstruction expenses that facilitate development of broadband, network deployment projects to areas in need, including environmental, feasibility and engineering, design studies or reports, needs assessments, market studies, broadband strategic plans, and business plans, in addition to the formation of a joint powers authority; and

WHEREAS, the City of Huron, like the City of Mendota (“City”), is a relatively small, rural city located within what is known of the West side of the County of Fresno; and

WHEREAS, if awarded, the City of Huron will use part of the grant to form a joint powers authority, which the City would be able to join, to spend the LATA grant funds for the purpose of conducting region-wide environmental, feasibility, engineering, design studies or reports, needs assessments, marketing studies, broadband strategic plans, and business plans for the development broadband throughout the West side area of the County of Fresno; and

WHEREAS, if the City were to apply for LATA funds on its own, it is unlikely, because of its size, that any significant amount of grant funds would be awarded and, given the need to establish a broadband network that covers the entire region, it is more advantageous for the City, like the City of Huron, to apply for and use the grant funds for those studies and other non-construction purposes on a regional basis.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Mendota, that the City of Mendota supports and urges the California Public Utilities Commission to grant the LATA funds requested by the City of Huron, and that the City of Mendota is specifically refraining from making its own application for these funds to enable the formation of a joint powers authority to include the City of Mendota and the

City of Huron, among others, within western Fresno County to make expenditures for purposes authorized by the LATA Grant Funding Program.

Victor Martinez, Mayor

ATTEST:

I, Celeste Cabrera-Garcia, City Clerk of the City of Mendota, do hereby certify that the foregoing resolution was duly adopted and passed by the City Council at a regular meeting of said Council, held at the Mendota City Hall on the 28th day of February, 2023, by the following vote:

City Council to discuss and consider City Council Member attendance at various events.

BACKGROUND

Given the role and capacity of City Council Members, it has been encouraged that the Council Members attend various external events and trainings in order to represent the community and gain additional knowledge and expertise as it pertains to their positions.

At its February 14th regular meeting, the City Council briefly discussed its member’s participation at different major events and conferences, and there was also mention of the possibility of planning a trip with staff and members of the City Council to either the California State Capitol or the United States Capitol to meet with state and federal representatives to discuss matters that are of importance to the community.

ANALYSIS

There are a variety of major external events and conferences held throughout the year by different agencies. Additionally, if desired by the City Council, the City may also coordinate trips to state and federal agencies to meet with state and federal representatives.

Traditionally, the City Council has allocated funding in its budget to allow for each Council Member to attend at least one event in a given fiscal year. If additional funding is available or if a Council Member is unable to attend a trip, it may allow for other Council Members to attend more than one event. Moreover, it is important to note that in order to comply with the requirements of the Brown Act, only two members of the City Council should attend certain events, depending on the nature of the Council’s participation.

Below are a couple of events that will be held this year. The Council may also elect to direct staff to look into or plan other events.

- League of California Cities Annual Conference and Expo
 - Date: September 20-22, 2023
 - Location: Sacramento, CA (SAFE Credit Union Convention Center)
 - Description: Event features general sessions, workshops, and networking events and attracts leaders from all sections of city government.
 - Estimated Cost Per Person: \$1,500-\$1,800
- ICSC Las Vegas
 - Date: May 21-23, 2023
 - Location: Las Vegas, NV (Las Vegas Convention Center)
 - Description: Gathering and showcase of marketplaces industry experts.
 - Estimated Cost Per Person: \$1,800-2,300 plus flights
- Potential Trip to California State Capitol
 - Date: To Be Determined
 - Location: Sacramento, CA
 - Description: Meet with state agency representatives and elected officials.
 - Estimated Cost Per Person: \$1,000-\$1,500
- Potential Trip to US Capitol
 - Date: To Be Determined
 - Location: Washington DC
 - Description: Meet with federal agency representatives and elected officials.
 - Estimated Cost Per Person: To Be Determined

FISCAL IMPACT

To Be Determined.

RECOMMENDATION

Staff recommends that City Council discuss and consider which events the City Council would like to participate in and determine which Council Members will participate in each event(s).

AGENDA ITEM – STAFF REPORT

TO: HONORABLE MAYOR AND CITY COUNCILMEMBERS
FROM: CRISTIAN GONZALEZ, CITY MANAGER
SUBJECT: WILLIAM ROBERT JOHNSTON AIRPORT
DATE: FEBRUARY 28, 2023

ISSUE

City Council to provide direction to staff on making repairs to the William Robert Johnston Airport.

BACKGROUND

The City operates an airport named William Robert Johnston Airport, which is located on the east side of town. It covers approximately 130 acres, which is comprised of large parts of empty dirt land, a runway, taxiway, and an aircraft parking area. There is also a restroom building, two aircraft hangers, and a storage building.

In October 2022, CALTRANS Aeronautics Division closed the airport due to the poor conditions of both the runway and the taxiway. If the City desires to keep the airport open significant repairs must be made. City Engineer Michael Osborn estimates these repairs to cost 2-3 million dollars.

ANALYSIS

Prior to the airport closing, the Fresno Westside Mosquito Abatement had an agreement with the City to allow the use of the airport for their operations. The City also had planned to use two electric aircrafts, which were obtained through a Measure C grant, to offer residents in the City an opportunity to participate in a pilot training course. The program has stalled due to the FAA not yet approving the aircrafts since fully electric planes are too new to the industry. Aside from the Mosquito abatement operations, the airport would seldomly see any activity.

City Council should consider the long term needs of the City and whether an airport is the best use of the land. This land can be utilized for many other uses such as housing, an industrial park, or even for recreation. With an airport, any adjacent development is limited due to the flight path zone (see attached Fresno COG map).

FISCAL IMPACT

The fiscal impact for the project, will be funded through the general fund. Should the City Council decide to keep the airport open, there are potential funds that can help offset the expense of reconstructing the pavement sections, however staff anticipates an investment of \$300,000-\$500,000.

RECOMMENDATION

Staff recommends that the City Council discuss the item and provide direction to staff.

October 25, 2022

Mr. Cristian Gonzales, City Manager
William Robert Johnston Municipal Airport
643 Quince Street
Mendota, CA 93640-2334

Dear Mr. Gonzales:

The California Department of Transportation, Division of Aeronautics (Caltrans), conducted a State permit compliance inspection and Federal Aviation Administration (FAA) Airport Master (5010) update at the William Robert Johnston Mendota Municipal Airport (Airport) (FAA Site No. 1882.2*A) on October 20, 2022. Our inspection revealed the following discrepancies which we bring to your attention:

1. On October 20, 2022, Caltrans issued the City of Mendota (City) notice of a temporary suspension of the State Airport Permit closing the Airport to public use in accordance with PUC, section 21668.2, *Suspension of Operations*. The suspension was issued due to public safety considerations as the Runway 15/33, the parallel taxiway, and the four stub taxiway pavements were found in failed condition with potholes, cracked raveling asphalt with loose debris (FOD) strewn across the surface, and collapsed sections of pavement undermined by ground squirrel burrows (please see enclosed Photographs 1 through 5).

The pavement condition has been noted in inspection letters since 2014 and continues to deteriorate largely unaddressed by the City. The City must place a Yellow "X" at each runway end per FAA Advisory Circular (AC) 150/5340-1M, *Standards for Airport Markings*, Chapter 5.6 *Marking and Lighting of Permanently Closed Runways and Taxiways* and Figure A-27 enclosed for your reference. Caltrans has issued a Notice To Airmen (NOTAM), advising pilots that the Airport is closed until April 30, 2023. However, this suspension shall remain in effect until Caltrans determines that the conditions requiring the suspension no longer exist.

Caltrans proposes a meeting between Caltrans Aeronautics Management and City Officials to build understanding as to the cause and the requirements of the suspension and to initiate a plan to reopen the airport. Please contact me at your earliest opportunity to schedule a meeting at a time of mutual convenience.

2. The Runway Safety Area (RSA) for Runway 15/33 and the Taxiway Safety Area (TSA) for the parallel taxiway are inundated with ground squirrel burrows and mounds, which have undermined and degraded the carrying capacity of the RSA and TSA. The RSA and the TSA must be free of potential hazardous ruts, humps, depressions, or other surface variations to allow the occasional passage of aircraft without causing

structural damage to the aircraft, in accordance with FAA Advisory Circular (AC) 150/5300-13A, *Airport Design*.

3. The RSA for your Airport extends 240 feet beyond each runway end and is 120 feet wide (centered on the runway centerline). The TSA is 49 feet wide (24.5 feet on either side of the taxiway centerline). Please mitigate the ground squirrel infestation immediately and then grade and compact the surface to prevent further degradation of the RSA, TSA, and adjacent runway and taxiway pavements. This is a repeat discrepancy noted in past inspection letters.
4. The Airport Apron asphalt surface is in poor condition with large areas of alligator cracking, failing asphalt patches, and active asphalt raveling, (please see enclosed Photograph 6). The pavement condition has been noted in past inspection letters and should be addressed promptly to prevent further surface and subsurface deterioration and reduce the likelihood of FOD damage to aircraft.
5. At the time of the inspection, the windcone located at the center of the segmented circle was missing from its mount. Pilots rely on the windcone to depict wind direction, and speed, and to determine which runway is in use. This is a repeat discrepancy noted in past inspection letters.
6. The Airport's Segmented Circle with Traffic Pattern Indicators located east of Runway 15/33 is obscured by debris and is not entirely visible to pilots in the air. The debris should be removed, and the concrete blocks repainted bright white to afford maximum visibility to pilots in the air. This is a repeat discrepancy noted in past inspection letters.
7. Trees over 50 feet in height located adjacent to the Airport Apron penetrate the Code of Federal Regulations, (CFR) Part 77, Transitional Surface. These trees should be trimmed at or below the height indicated in Photograph 7 or be removed to maintain a clear Transitional Surface. This is a repeat discrepancy noted in past inspection letters.
8. A palm tree over 20 feet in height located 960 feet north of the Runway 33 Displaced Threshold and 265 feet west of the Runway 15/33 centerline penetrates the CFR Part 77, Transitional Surface. This palm should be removed or trimmed at or below the height indicated in Photograph 8 to maintain a clear Transitional Surface. This too is a repeat discrepancy.
9. Many current Runway and Taxiway markings are faded and do not conform to FAA AC 150/5340-1L, *Standards for Airport Markings*, and should be remarked after the Runway and Taxiway repaving project. These include:
 - The four white arrowheads located prior to the Runway 33 Displaced Threshold are incorrectly marked and should be remarked as two white arrowheads. Please remark the arrowheads as shown in AC 150/5340-1L, *Standards for Airport Markings Figure A-7, Displaced Threshold Markings*.

- The Runway Holding Position Marking (Hold Line) at the Runway 33 Approach End and the stub taxiway located 1,033 feet south from the Runway 15 Threshold are set at 115 feet from the runway centerline. Per AC 150/5300-13A, *Airport Design*, please relocate the hold lines to the required distance of 125 feet from the runway centerline.
- The Hold Line at the farthest south stub taxiway is mismarked as the Hold Line should not extend past the Continuous Taxiway Edge Marking. We recommend marking the Hold Line at the edge of the Edge Marking and extending the Edge Marking past the Hold Line until the taxiway narrows as depicted in AC 150/5340-1L, *Standards for Airport Markings Figure A-7, Figure A-13 Holding Position Marking Details and Figure A-16 Taxiway Markings*. Furthermore, there should be a 6" break between the Edge Marking and the Hold Line.
- Taxi lead-lines cross through the Hold Line on all stub taxiways. The lead lines should have a break before and after and not cross through the Hold Line as shown in AC 150/5340-1L, *Standards for Airport Markings Figure A-7 and Figure A-13 Holding Position Marking Details*.
- The Runway 33 Approach End Blast Pad Chevron Marking (Chevron) is not standard and should be remarked. The Chevron should be at a 45-degree angle, as shown in AC 150/5340-1L, *Standards for Airport Markings, Figure A-9 Markings for Blast Pads and Stopways*.

We are pleased to support and assist you in enhancing safety and utility at your Airport and look forward to continuing a cooperative relationship with the City of Mendota. Please notify us of your availability to discuss the Airport Permit suspension further and of your intended or completed actions concerning the items listed above. If you have questions or require assistance, please contact me at (916) 639-6297 or email at christopher.brooks@dot.ca.gov.

Sincerely,

CHRISTOPHER BROOKS
Aviation Safety Officer

December 16, 2022

Mr. Christian Gonzales, City Manager
City of Mendota
643 Quince Street
Mendota, CA 93640-2334

Dear Mr. Gonzales:

Re: William Robert Johnston Municipal Airport (M90), Mendota, California Airport
Closure

The Federal Aviation Administration (FAA) supports airport development and preservation throughout the United States. This is shown in the current National Plan of Integrated Airport Systems. Title 49 USC§ 47101 , *et seq.*, provides for Federal financial assistance for the development of public-use airports under the Airport Improvement Program (AIP) established by the Airport and Airway Improvement Act (AAIA), as amended. Section 47107, *et seq.*, sets forth assurances to which an airport sponsor agrees as a condition of receiving Federal financial assistance.

Upon acceptance of an AIP grant, the assurances become a binding obligation between the airport sponsor and the Federal Government. A copy of the standard airport sponsor's grant assurances is enclosed. These assurances define the scope of the FAA's jurisdiction with respect to airport-related matters. In accepting AIP funds, the City of Mendota has agreed to specific Federal obligations, including the commitment to keep the William Robert Johnston Municipal Airport (M90) open and make it available for public use as an airport.

The FAA has been notified that an inspection conducted on October 20, 2022, by the California Department of Transportation (Caltrans), Division of Aeronautics resulted in a finding that Runway 15/33, the parallel taxiway, and the stub taxiway pavements are in failed condition with collapsed sections of pavement, potholes, cracked raveling asphalt, and loose debris (FOD) strewn across the surface. The failed pavement condition has remained unaddressed for some time and poses a safety hazard and could cause damage to aircraft. Based on the inspection findings, Caltrans temporarily suspended the Airport Permit in accordance with Public Utilities Code, Section 21668.2, Suspension of Operations. This suspension shall remain in effect until Caltrans determines that the conditions requiring the suspension no longer exist. Caltrans issued a Notice to Airmen (NOTAM), to advise pilots that the airport is closed to public use. Additionally, the City of Mendota must place a Yellow "X" at each runway end per FAA Advisory Circular 150/5340-1M, Standards for Airport Markings, Chapter 5.6 Marking and Lighting of Permanently Closed Runways and Taxiways and Figure A-27 enclosed for your reference.

Grant Assurance 19, *Operation and Maintenance*, requires the airport and all facilities which are necessary to serve the aeronautical users of the airport shall be operated at all times in a safe and serviceable condition and in accordance with the minimum standards as may be required or prescribed by applicable Federal, state and local agencies for maintenance and operation. The City of Mendota agreed to comply with this assurance when it signed the grant agreement and accepted Federal financial assistance.

The City of Mendota has not maintained the airport pavement in a safe and serviceable condition resulting in the revocation of the state airport license and closure of the airport. Based on this information, the City of Mendota may not be in compliance with Grant Assurance 19. Please prepare a corrective action plan addressing the issues above and submit that to the FAA with 30 days of the receipt of this letter. Failure to take corrective action could result in the initiation of FAA enforcement action through the issuance of a notice of investigation under 14 CFR Part § 16, subpart D, *Special Rules Applicable to Proceedings Initiated by the FAA*.

If you have any questions, you may contact Victor Globa, Airport Compliance Program Manager at (424) 405-7272 or email at: victor.globa@faa.gov.

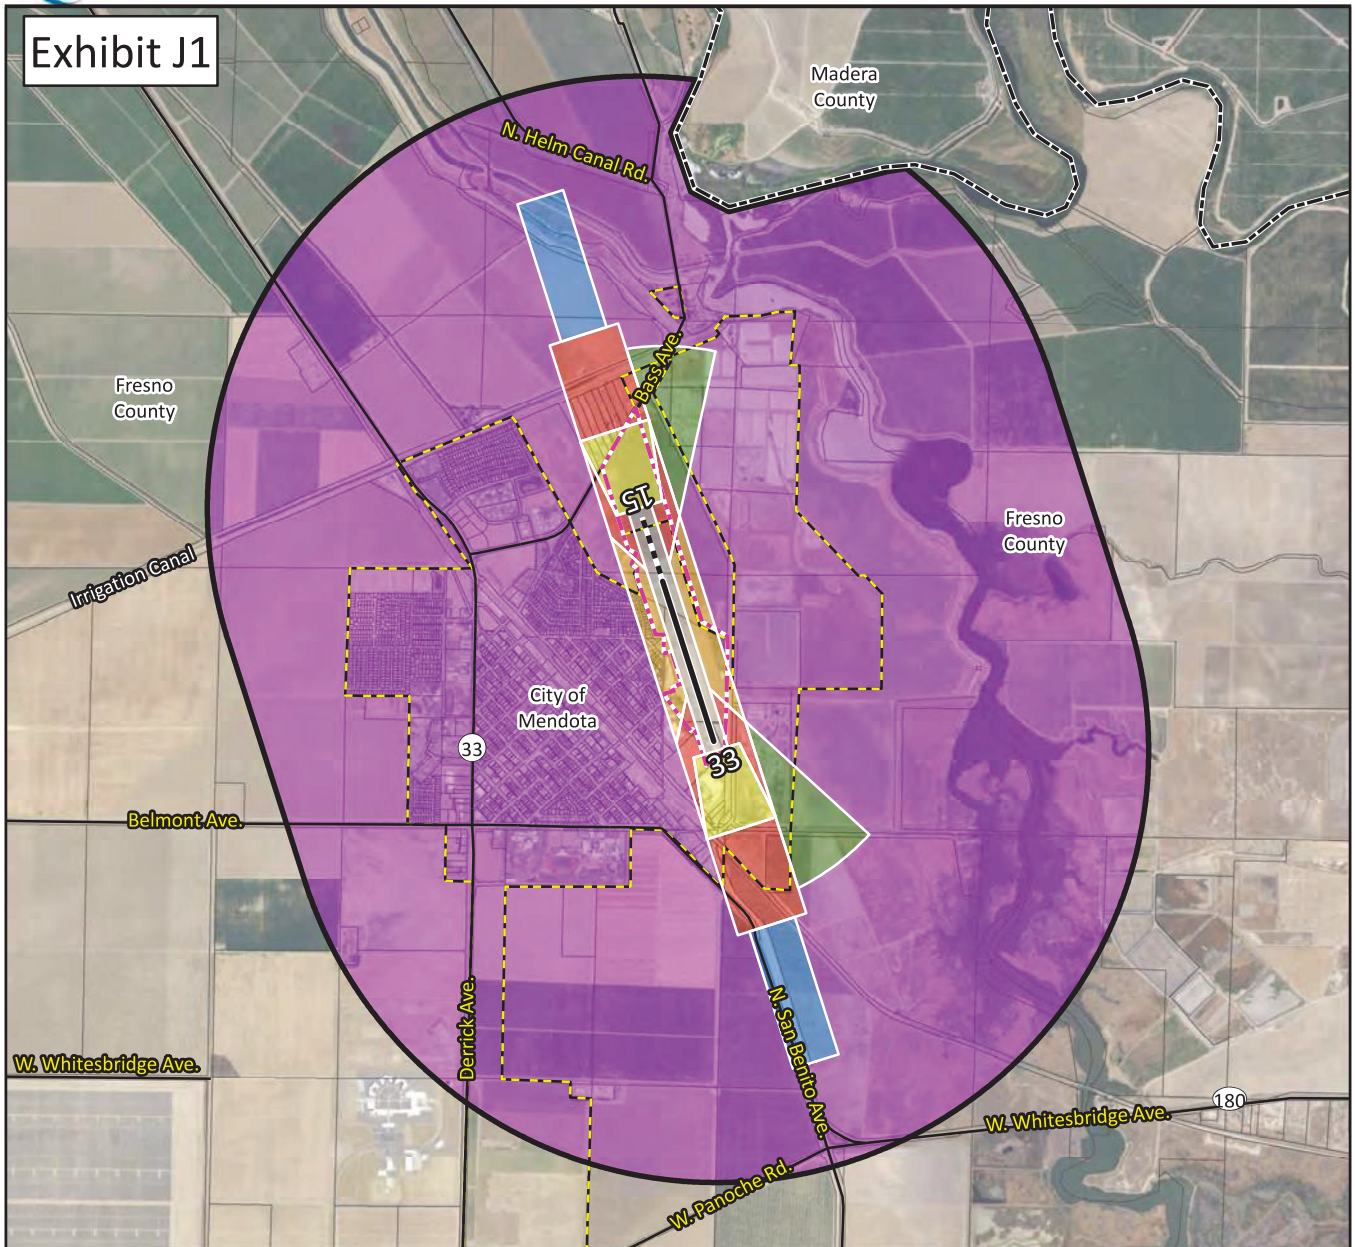

Sincerely,

Brian Q. Armstrong

**BEFORE THE CITY COUNCIL
OF THE
CITY OF MENDOTA, COUNTY OF FRESNO**

**A RESOLUTION OF THE CITY COUNCIL
OF THE CITY OF MENDOTA APPROVING
A PILOT TELECONFERENCING
PARTICIPATION PROGRAM FOR
MEMBERS OF THE PUBLIC TO ENABLE
GREATER ACCESS TO PUBLIC MEETINGS**

RESOLUTION NO. 23-11

WHEREAS, the City of Mendota (“City”) is dedicated to ensuring the welfare and safety of its residents and the local community; and

WHEREAS, all meetings of the City’s legislative bodies are open to the public as required by the Ralph M. Brown Act (Government Code sections 54950-54963), so that any member of the public may attend, participate, and watch the City’s legislative bodies conduct their business in person at the place(s) where these public meetings occur; and

WHEREAS, throughout the COVID-19 pandemic emergency, standard public meeting posting and access procedures related to the teleconferencing requirements contained in Government Code section 54953, subdivision (b)(3), were suspended pursuant to Executive Order N-29-20 and California’s COVID-19-related State of Emergency, which led to remote participation by both members of the public and the City’s legislative bodies via Zoom teleconferencing software for a time; and

WHEREAS, Executive Order N-29-20’s provisions expired on October 1, 2021, but, prior to this expiration, Assembly Bill 361 amended Government Code section 54953 to allow local governments to continue using teleconferencing attendance without the standard meeting posting and access procedures to, among other things, protect imminent health risks; and

WHEREAS, pursuant to Assembly Bill 361’s provisions, the City continued offering Zoom teleconferencing attendance and participation options at meetings of the City’s legislative bodies for a time; and

WHEREAS, at its March 22, 2022, regular meeting, the City Council discussed and considered whether to continue offering Zoom teleconferencing services at City meetings, and adopted Resolution No. 22-22 to transition the City’s meetings back to in-person participation; and

WHEREAS, Resolution No. 22-22 cited the City Council’s intention to foster more meaningful discussion and a greater sense of community by returning to in-person participation at public meetings of the City’s legislative bodies; and

WHEREAS, California's COVID-19-related State of Emergency is scheduled to end on February 28, 2023; and

WHEREAS, prior to that expiration, Assembly Bill 2449 made further amendments to Government Code section 54953 to allow the members of a local government's legislative body to participate in meetings via teleconferencing without complying with subdivision (b)(3)'s standard posting and access requirements; and

WHEREAS, to utilize Assembly Bill 2449's amendments, which are primarily contained in Government Code section 54953, subdivision (f), the City must, among other things, ensure: (1) a quorum of the City's legislative body participates in person from a singular physical location clearly identified on the agenda; (2) offer remote teleconferencing services that allow members of the public to hear, visually observe, and address the legislative body; and (3) only allow remote participation by a member of the legislative body for just cause (twice per calendar year, per member) or by vote of the legislative body in emergency circumstances (no more than three consecutive months or twenty percent of a calendar year's meetings, per member); and

WHEREAS, the City does not currently offer remote teleconferencing services to the public, and, as a result, cannot make use of Assembly Bill 2449's provisions, even where convenient or otherwise necessary for City business; and

WHEREAS, members of the City Council have been approached by the public, requesting the City recommence offering Zoom remote teleconferencing services for public meetings of the City's legislative bodies; and

WHEREAS, offering Zoom remote teleconferencing services at public meetings of the City's legislative bodies would cost the City approximately \$839.90 per year in licensing fees and require additional work by City staff to manage and maintain these services prior to and during meetings; and

WHEREAS, the City Council has discussed and considered the costs and potential benefits of recommencing Zoom remote teleconferencing offerings to the public, and wishes to initiate a pilot program wherein the City will recommence offering these services to the public for a limited time before making a future determination regarding whether to institute these additional service offerings on a permanent basis.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Mendota, that the City will offer Zoom remote teleconferencing services to the public at all public meetings of the City's legislative bodies for a period of _____ months, set to expire on _____, 2023, before making a further determination regarding whether to provide this additional service offering on a permanent basis.

///

///

BE IT FURTHER RESOLVED, that the City Manager, or his designee, is authorized to make reasonable expenditures and execute all documents reasonably required to effect the provisions of this Resolution.

Victor Martinez, Mayor

ATTEST:

I, Celeste Cabrera-Garcia, City Clerk of the City of Mendota, do hereby certify that the foregoing resolution was duly adopted and passed by the City Council at a regular meeting of said Council, held at the Mendota City Hall on the 28th day of February, 2023, by the following vote:

AYES:

NOES:
