AGENDA
MENDOTA CITY COUNCIL
Special City Council Meeting
CITY COUNCIL CHAMBERS
643 QUINCE STREET
May 28, 2019
3:00 PM

CRISTIAN GONZALEZ
City Manager
JOHN KINSEY
City Attorney

The Mendota City Council welcomes you to its meetings; Regular meetings are scheduled for the 2nd and 4th Tuesday of every month. Your interest and participation are encouraged and appreciated. Notice is hereby given that Council may discuss and/or take action on any or all of the items listed on this agenda. **Please turn your cell phones on vibrate/off while in the council chambers.**

Any public writings distributed by the City of Mendota to at least a majority of the City Council regarding any item on this regular meeting agenda will be made available at the front counter at City Hall located at 643 Quince Street Mendota, CA 93640, during normal business hours 8 AM – 5 PM.

In compliance with the Americans with Disabilities Act, those requiring special assistance to participate at this meeting please contact the City Clerk at (559) 655-3291. Notification of at least forty-eight hours prior to the meeting will enable staff to make reasonable arrangements to ensure accessibility to the meeting.

CALL TO ORDER

ROLL CALL

FLAG SALUTE

FINALIZE THE AGENDA

1. Adjustments to Agenda.
2. Adoption of final Agenda.

CITIZENS ORAL AND WRITTEN PRESENTATIONS

At this time members of the public may address the City Council only on matters listed on the agenda involving matters within the jurisdiction of the City Council. Please complete a "request to speak" form and limit your comments to THREE (3) MINUTES. Please give the completed form to City Clerk prior to the start of the meeting. All speakers shall observe proper decorum. The Mendota Municipal Code prohibits the use of boisterous, slanderous, or profane language. All speakers must step to the podium, state their names and addresses for the record. Please watch the time.

BUSINESS

1. Fiscal Year 2019/2020 City Council Goals Recap
 - a. *Receive report from City Manager Gonzalez*
 - b. *Inquiries from Council to staff*
 - c. *Mayor opens floor to receive any comment from the public*
 - d. *Council provide input*

2. Fiscal Year 2019/2020 Budget Workshop
 - a. *Receive report from City Manager Gonzalez*
 - b. *Inquiries from Council to staff*
 - c. *Mayor opens floor to receive any comment from the public*
 - d. *Council provide direction to staff as appropriate*

ADJOURNMENT

CERTIFICATION OF POSTING

I, Celeste Cabrera-Garcia, City Clerk of the City of Mendota, do hereby declare that the foregoing agenda for the Mendota City Council special meeting of May 28, 2019, was posted on the outside bulletin board located at City Hall, 643 Quince Street on Friday, May 24, 2019 at 5:30 p.m.

Celeste Cabrera-Garcia, City Clerk

AGENDA ITEM – STAFF REPORT

TO: HONORABLE MAYOR AND COUNCILMEMBERS
FROM: CRISTIAN GONZALEZ, CITY MANAGER
SUBJECT: COUNCIL GOALS RECAP FOR 2019-2020
DATE: MAY 28, 2019

Please see below the recap of the goals established by the City Council at a Goal Setting Meeting on April 2, 2019. These goals are represented as best as possible in the proposed 2019-2020 Fiscal Year Budget.

2019-2020 GOALS

	Goal	Team	Comment
1	New Community Center.	Finance	Applying for Prop 68 funds this round (August 2019)
2	Develop/Identify funding for Rojas-Pierce soccer field expansion, along with an additional baseball diamond.	City Manager/Finance /City Engineer	In progress. Development Agreement along with city and CDBG contribution providing the funds. (1.5 million)
3	Continue aggressively reconstructing streets.	City Manager/Finance/City Engineer	This year we will reconstruct sections of Black St, 5th Street and the alley behind city hall. Staff will also explore grants to assist.
4	Staff investigate the possibility of selling 50 acres of waste water land to provide revenue for the sewer fund and the general fund.	City Manager/City Attorney	In progress. We are currently negotiating with a company to sell the land.
5	Roundabout for Barboza and Bass Ave.	City Manager/ Finance/City Engineer/	Design work underway. Construction next summer.
6	Approach Cal-Trans to get approval to allow southbound traffic on HWY 33 off of Lozano Street.	City Manager/City Engineer	In progress. Cal-Trans finally agreed to allowing this. Going to bid in June-July 2019.
7	Find funding to reconstruct or repair the Mowry Bridge that suspends the city's water main line.	City Manager/Finance Director/City Engineer	Funding received from Bureau of Reclamation. Construction will depend on permits. Can be as early as November-December 2020 .

8	Attract a pharmacy for the community.	City Manager	The corner commercial lot that was created by the La Colonia development is in escrow for a developer who wants to build a pharmacy there.
9	Attract a bank for the community.	City Manager/Finance	Currently in talks with a bank to have them locate within the existing city hall business complex.
10	Monument for Veterans Park.	City Manager/Finance	It is included in the 2019-2020 proposed budget.
11	Flag Pole for Robert Silva Plaza.	City Manager/Finance	It is included in the 2019-2020 proposed budget.
12	Purchasing new Christmas ornaments for Oller and 7th and a Christmas Tree for Robert Silva Plaza.	City Manager/Finance	It is included in the 2019-2020 proposed budget.
13	Extending Amador Street	City Manager/Finance/City Engineer	Talks are still ongoing for a developer to purchase Westlands property to develop. If this doesn't move forward, we will look into requesting the right of way for the city to construct the road using local funds.
14	New rodeo Grounds and concert stage for pool park.	City Manager/Finance	Due to CEQA requirements we will have to wait till the next round of Prop 68 calls for projects to apply for grants at the Pool Park.
15	Enforce more municipal violations to help beautify the City.	City Manager/Finance/Code Enforcement/City Attorney	With 1-1/2 funded code enforcement positions, we will need to prioritize. We budgeted 10,000 for legal fees to address a few major cases.
16	Restoration of the General Fund Reserve	Finance/City Manager	In progress. About 950K restored, out of 1.3 million
17	Explore a plan to fund a PD Building.	City Manager/Finance /Police	Will seek grants. We only have 950K and need about 2-3 million more.
18	Security cameras city wide	City Manager/Finance/Police	This is currently ongoing. We have placed several cameras at intersections in town and will continue to add as funding permits.

AGENDA ITEM – STAFF REPORT

TO: HONORABLE MAYOR AND COUNCILMEMBERS
FROM: CRISTIAN GONZALEZ, CITY MANAGER
SUBJECT: FISCAL YEAR 2019-2020 BUDGET MESSAGE
DATE: MAY 28, 2019

In accordance with section 2.12.040 (H) of the City of Mendota Municipal Code, it is my honor and privilege to submit the Proposed Budget for fiscal year 2019-2020.

The filing of the 2019-2020 Fiscal Year Budget will represent my first Budget as your City Manager. This balanced budget proposal represents the cumulative efforts of each department within the city working together to ensure a financially responsible fiscal budget.

The proposed budget serves as a policy document, a financial plan and an operations guide, reflecting the policies, goals, programs and service priorities of the City Council and the community. It was developed based on the direction provided by City Council during the Goal Setting Meeting, and incorporates recommendations made by each department. It is mainly comprised of two different funds, the General Fund and the Enterprise Fund.

GENERAL FUND

The General Fund is a non restricted fund that can be used for all expenses. In Mendota, the General Fund pays for General Services, City Administration, Public Safety, Parks and Government Buildings.

The General Fund receives its revenues from business license fees, building permit fees, citations, and property and sales taxes. The General Fund also receives revenues through the leasing of city property and existing development agreements. This year we entered into a license agreement to lease out an unused lot on Naples that will generate additional monies. We are also in the process of bringing a banking service to the community which will be housed within our City Hall building, providing additional revenues.

While other cities with similar demographics and population have revenues from special sales and property taxes revenues, specifically to help maintain Public Safety and Parks, Mendota does not. Constituents in the City of Mendota voted against the two previous measures that over the City anticipates would have generated approximately an annual amount of \$500,000 for the General Fund. As such, during the 2017-2018 Fiscal Year Budget, management was forced to freeze several positions, and reduce hours for others,

in effort to maintain essential operations while addressing the increases in minimum wage and health benefit costs. When I took office as your City Manager, during Fiscal Year 2018-2019, we were able to un-freeze a police officer position and add a full-time Community Service Officer position through innovative thinking and strategizing. Through the consolidation of the Code Enforcement and Animal Control positions, now known as the Community Service Officer, overseen by the Police Chief, the city was able to hire for and sustain a previously vacant full-time position. The City was able to expand the Code Enforcement/Animal Control Department to include one full-time and one part-time position.

This fiscal year I propose to add a part-time position to the Parks Department, and maintain the remaining amount of personnel in the general fund. I also propose to change some existing part time positions to full-time positions to ensure we retain staff that has been trained to meet the community's expectation. The departure of our Economic Development Manager created an opportunity for existing staff to absorb some additional duties that provide growth opportunities for staff, while the city realizes an overall savings in salaries and benefits. Rising health care premium rates continue to be a major concern, as such staff has taken a proactive approach to obtain lower rates while maintaining the same coverage. Health insurance premiums must be revisited annually to ensure the city obtains the most competitive rates.

POLICE

The Police Chief continues to focus on promoting safety and beautification of the City. Community engagement and education is a continuous process that promotes safe and effective communication that leads to positive relationships with the members of the City of Mendota.

The proposed budget for the Police Department includes unfreezing one contract officer position. The Police Department will hold one contract officer position and administrative assistant position frozen in the department due to fiscal constraint. We will explore grants to assist in unfreezing these positions as well as to allow the department to upgrade its equipment and possibly acquire a K-9 Unit.

The Council has requested that staff find ways to fund a new Police Department building. The land has already been purchased, and the City was able to secure \$950,000 towards the project, however a building for current and future needs would likely cost over three million dollars. Staff will continue to explore grants, even if a match is required. For this fiscal year, however, it is not financially feasible to recommend that we finance a new building.

Council also made beautification of the City a priority. This priority requires community effort and commitment. If we do not attain compliance from property owners, addressing violations that lead to blight in the community can become expensive. Code Enforcement will continue to cover Animal Control duties, this makes it possible to fund

one full-time and one part-time position. The Code Enforcement department needs Council and Community support to be effective.

PARKS

In order to further assist the sensitive General Fund, I intend to continue serving as the Public Works Director and Building Official. I plan on training existing staff to eventually be able to absorb the building inspection duties in-house.

I am very excited to report that the Rojas-Pierce Park expansion project will finally commence. We were able to allocate close to 1.5 million dollars for this project. It includes a new baseball diamond and a new soccer field, along with amenities. This is the reason for the creation of one part time park's employee to assist the Public Works Department.

In this Budget we are proposing to install a flag and pole system at the Robert Silva Plaza. We will also propose the purchase of a Christmas Tree and ornaments for the plaza. We will explore replacing the lights on the Christmas decorations that are used on Oller Street with LED lights. At Veteran's Park, we are proposing a monument with the names of all Mendota Veterans.

While the Council has expressed the desire to find ways to fund new rodeo grounds and a stage area, amongst other improvements at the Pool Park, staff will not be able to apply for this round of Prop 68 monies due to the various entities sharing interest in the area, making the required CEQA (California Environmental Quality Act) research extremely lengthy. As such, staff is proposing that we began the CEQA process for the project during this 2019-2020 Fiscal Year to be able to apply for the next round of funding in 2020-2021. No new construction can take place until CEQA is satisfied.

Staff will apply for funding to construct a new community center in this round of Prop 68 calls for projects. The current plan is to construct a new center at Rojas Pierce Park, on City land unlike Pool Park that is not all City owned land and located outside city limits. Satisfying CEQA for the community center project is much simpler.

AIRPORT

Soon there will be much more activity at the Airport because of the two electric aircrafts that the city obtained through a grant, to provide pilot training. However, we did not budget any monies for the much needed improvements in this budget cycle. Airport improvements are paid out of General Fund, which is limited. Our annual inspection reviewed the needs to address the poor condition of the taxiway pavement. The main runway is in good shape, but even that area can use an overlay. Like the other projects, until other general fund revenues come in, we will look into grants and creative ways to address these issues. Next year we will want to budget monies for the pilot training program, in order for it to be sustainable.

ENTERPRISE FUNDS

The Enterprise Fund is comprised of water, sewer & street funds. Each of these funds are restricted and can only be used for their specific purposes. Enterprise funds cannot be used to fund general fund expenditures.

The Enterprise Fund generates its revenues from user fees such as water and sewer fees. On the Streets accounts revenue is generated through Measure C, Gas Tax and LTF fees. Every city receives an apportioned amount based on population etc.

The City Council approved for our City Engineer to prepare water, sewer and storm drain master plans. These plans will aid in identifying future infrastructure needs for our capital improvement plan and they are necessary to apply for infrastructure grants. These plans are expected to be complete in a few months. Once the plans are available, we will likely need to conduct a budget amendment to include the newly identified priority projects.

WATER

For water, the biggest project that will likely take place in Fiscal Year 2019-2020 is the Mowry Bridge replacement project. This bridge carries the cities raw main water line and is in extremely poor condition. The project will cost over 5 million dollars and it also includes the relocation of one of the city's existing domestic wells, with a new one. Other projects include upgrades to the city's water treatment plant.

SEWER

For sewer, we will need to conduct sludge removal at the ponds. Other improvements include aerators and programming upgrades. Currently, the City's Waste Water Treatment Plant is at its limit and in order for any future growth to be possible, improvements to the plant are necessary. This can either be done by the city, or by future developers. We believe these improvements to cost more than 500,000. The City is currently in negotiations to sell 50 acres of waste water land. The revenue from this transaction can be used to conduct the aforementioned necessary improvements but the Council will ultimately decide.

STREETS

For Streets, we will be reconstructing Black Ave from Sorensen to Rowe, and 5th street from Oller to Quince, all using outside revenues due to these specific streets qualifying for the funding. We will also be restriping the intersection of Lozano and Derrick to allow for left turn traffic off of Lozano onto Derrick. Another project that will take place either this fall, or early spring, is the roundabout for the La Colonia project. This will be located at the intersection of Bass and Barboza. Staff identified special restricted outside

funds that will be used for the project. Due to the fact that these projects will be funded by outside sources, we have been able to build up the street funds, enough to do a significant street projects or several small ones in Fiscal Year 2020-2021. Other projects include speed bumps and new solar powered lights in dark areas.

The City Hall alley that is used as a local street to access the various public services located within the City Hall business complex (EDD, DMV, Workforce Connection etc.) is also proposed to be reconstructed due to its poor condition and the benefit to the entire community. Other street improvements include some stamped medians on Barboza, and Lozano Streets, this will be performed by the Public Works Department and done to beautify the area.

CONCLUSION

This year's proposed Budget has improved since the last budget, but a budget depends on projections coming to fruition. We must proceed with caution this year as the unpredictable weather has caused a lot of negative impact to local crops, that are the lifeline to this area.

The City's General Fund Reserve, or "rainy day account" is up to \$950,000. Council has done a great job in prioritizing the replenishing of the fund, originally it was \$1.3 million, but it took a \$650,000 hit several years ago due to a settlement. The goal is to get that back to \$1.3 million and above and while there is definitely optimism that Cannahub and other potential cannabis operators, along with new incoming businesses, will provide additional revenues, it wouldn't be prudent to budget these revenues due to the uncertainty. Property values are up however, and so are sales tax, which equal more taxes that the city expects to receive for the general fund to continue accomplishing Council and Community goals.

Economic Development continues strong overall with AMOR, a family health clinic, approaching construction. We also expect a new bank, new car wash, dispensary, and a new pharmacy to come into town this fiscal year. The Cannahub facility is expected to open in July, providing many jobs in Mendota. We are currently negotiating the sale of 50 acres of city owned land that will also provide economic opportunities for Mendota.

Finally, while the budget can't address all of the identified priorities, staff continues to be creative in finding ways to fund projects. Now, by having an in-house grant administrator, we will be much more active on pursuing grant funding. We will also be proposing a new business license fee for renters. This will help fund the work that Code Enforcement conducts to enforce various issues on the properties, such as overcrowding and substandard conditions that will ultimately go a long way in beautifying the City.

Your staff is extremely excited to kick off the 2019-2020 Fiscal Year!

RECOMMENDATION

Staff recommends that Council provide direction to staff on funding initiatives and policy priorities for the FY 2019-2020 Budget.
