AGENDA ITEM – STAFF REPORT

TO: HONORABLE MAYOR AND COUNCILMEMBERS
FROM: MICHAEL OSBORN, CITY ENGINEER
VIA: CRISTIAN GONZALEZ, CITY MANAGER
SUBJECT: SUPPORTING AND IMPLEMENTING TIMELY USE OF FUNDING IN THE MATTER OF PROJECT DELIVERY SCHEDULES FOR FEDERAL TRANSPORTATION PROJECT SELECTION
DATE: SEPTEMBER 26, 2023

ISSUE

Shall the City Council adopt Resolution No. 23-68, supporting the timely use of funding in the matter of project delivery schedules for federal transportation project selection?

BACKGROUND

Approval of Assembly Bill (“AB”) 1012 requires that both State and Federal funds be used in a “timely” manner. In order to avoid losing any Federal or State funds to our Region, the “use it or lose it” requirements of AB 1012 place local governmental agencies in a position that they must be able to deliver their projects on time. That is, they must be able to meet their project delivery schedules as proposed and as programmed within the Federal Transportation Improvement Program (“FTIP”).

Because the issue of “project delivery is so important, each agency must be able to assure that their project(s) can be delivered timely. Therefore, each application for Congestion Mitigation and Air Quality (“CMAQ”) or Surface Transportation Block Grant (“STBG”) funding must be accompanied by a formal Council Resolution stating that each project will meet project delivery schedules and that staff be directed to ensure that projects are delivered timely.

Regional bid projects must be delivered in the programmed year specified and within the programming years of the FTIP (covering federal fiscal years 2024/25, 2025/26, 2026/27, and 2027/28). If a regional bid project is delayed due to unforeseen circumstances, projects, at any phase, may be pushed out. If the project is delayed more than two FTIP cycles, the project will be programmed based on financial capacity and at Fresno Council of Governments’ (“FCOG’s”) discretion.

ANALYSIS

The City Engineer and staff intend on submitting applications during the 2023 Call for Projects for the regional bid (competitive) for the following projects:

- CMAQ – Marie Street Complete Street Project
- STBG – Divisadero Reconstruction from Lolita Street to Inez Street

FISCAL IMPACT

There is no fiscal impact for the preparation of the CMAQ and STBG applications requesting funding for the listed projects. Should the projects be awarded funding, City's street funds - Gas Tax, LTF, Measure C and/or RMRA (SB1) funds - will be utilized for preliminary engineering, right-of-way clearance, construction management and the standard 11.47% local match of federal funds.

RECOMMENDATION

Staff recommends that the City Council adopt Resolution No. 23-68, supporting the timely use of funding in the matter of project delivery schedules for Federal Transportation project selection.

OF THE
CITY OF MENDOTA, COUNTY OF FRESNO**

**A RESOLUTION OF THE CITY COUNCIL
OF THE CITY OF MENDOTA SUPPORTING
AND IMPLEMENTING TIMELY USE OF
FUNDING IN THE MATTER OF PROJECT
DELIVERY SCHEDULES FOR FEDERAL
TRANSPORTATION PROJECT SELECTION**

RESOLUTION NO. 23-68

WHEREAS, Assembly Bill (“AB”) 1012 has been enacted into State Law in part to provide for the “timely use” of State and Federal funding; and

WHEREAS, the City of Mendota (“City”) is able to apply for and receive Federal and State funding under the Federal Transportation Act and the Surface Transportation Block Grant (“STBG”) Program (formerly Regional Surface Transportation Program); and

WHEREAS, the City desires to ensure that its projects, as listed herein, are delivered in a timely manner to prevent the Fresno Region (the “Region”) from losing those State and Federal funds for non-delivery; and

WHEREAS, the City wishes to pursue Congestion Mitigation and Air Quality (“CMAQ”) funding for the Marie Street Complete Street Project, and STBG funding for Divisadero Street Reconstruction (Lolita Street to Inez Street); and

WHEREAS, the City understands that failure to meet project delivery dates for any phase of a project may jeopardize Federal or State funding to the Region; and

WHEREAS, the City must demonstrate dedicated and available local matching funds for these projects.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Mendota that the City Council hereby agrees to ensure that all project delivery deadlines for all project phases of the projects identified herein will be met or completed ahead of schedule.

BE IT FURTHER RESOLVED, that the City acknowledges failure to meet project delivery deadlines may be deemed as sufficient cause for the Fresno Council of Governments Policy Board to terminate an agency’s project and reprogram Federal/State funds as deemed necessary.

BE IT FURTHER RESOLVED, that the City Council directs its management and engineering staff to ensure all projects identified herein are carried out in a timely manner pursuant to the requirements of AB 1012 and this directive.
